FAST. EFFORTLESS. PARALLEL.

SEQUENTIAL. NON-AUTOMATIC. CONSTRUCTED.

Your brain reads expressions.
Mine decodes them.

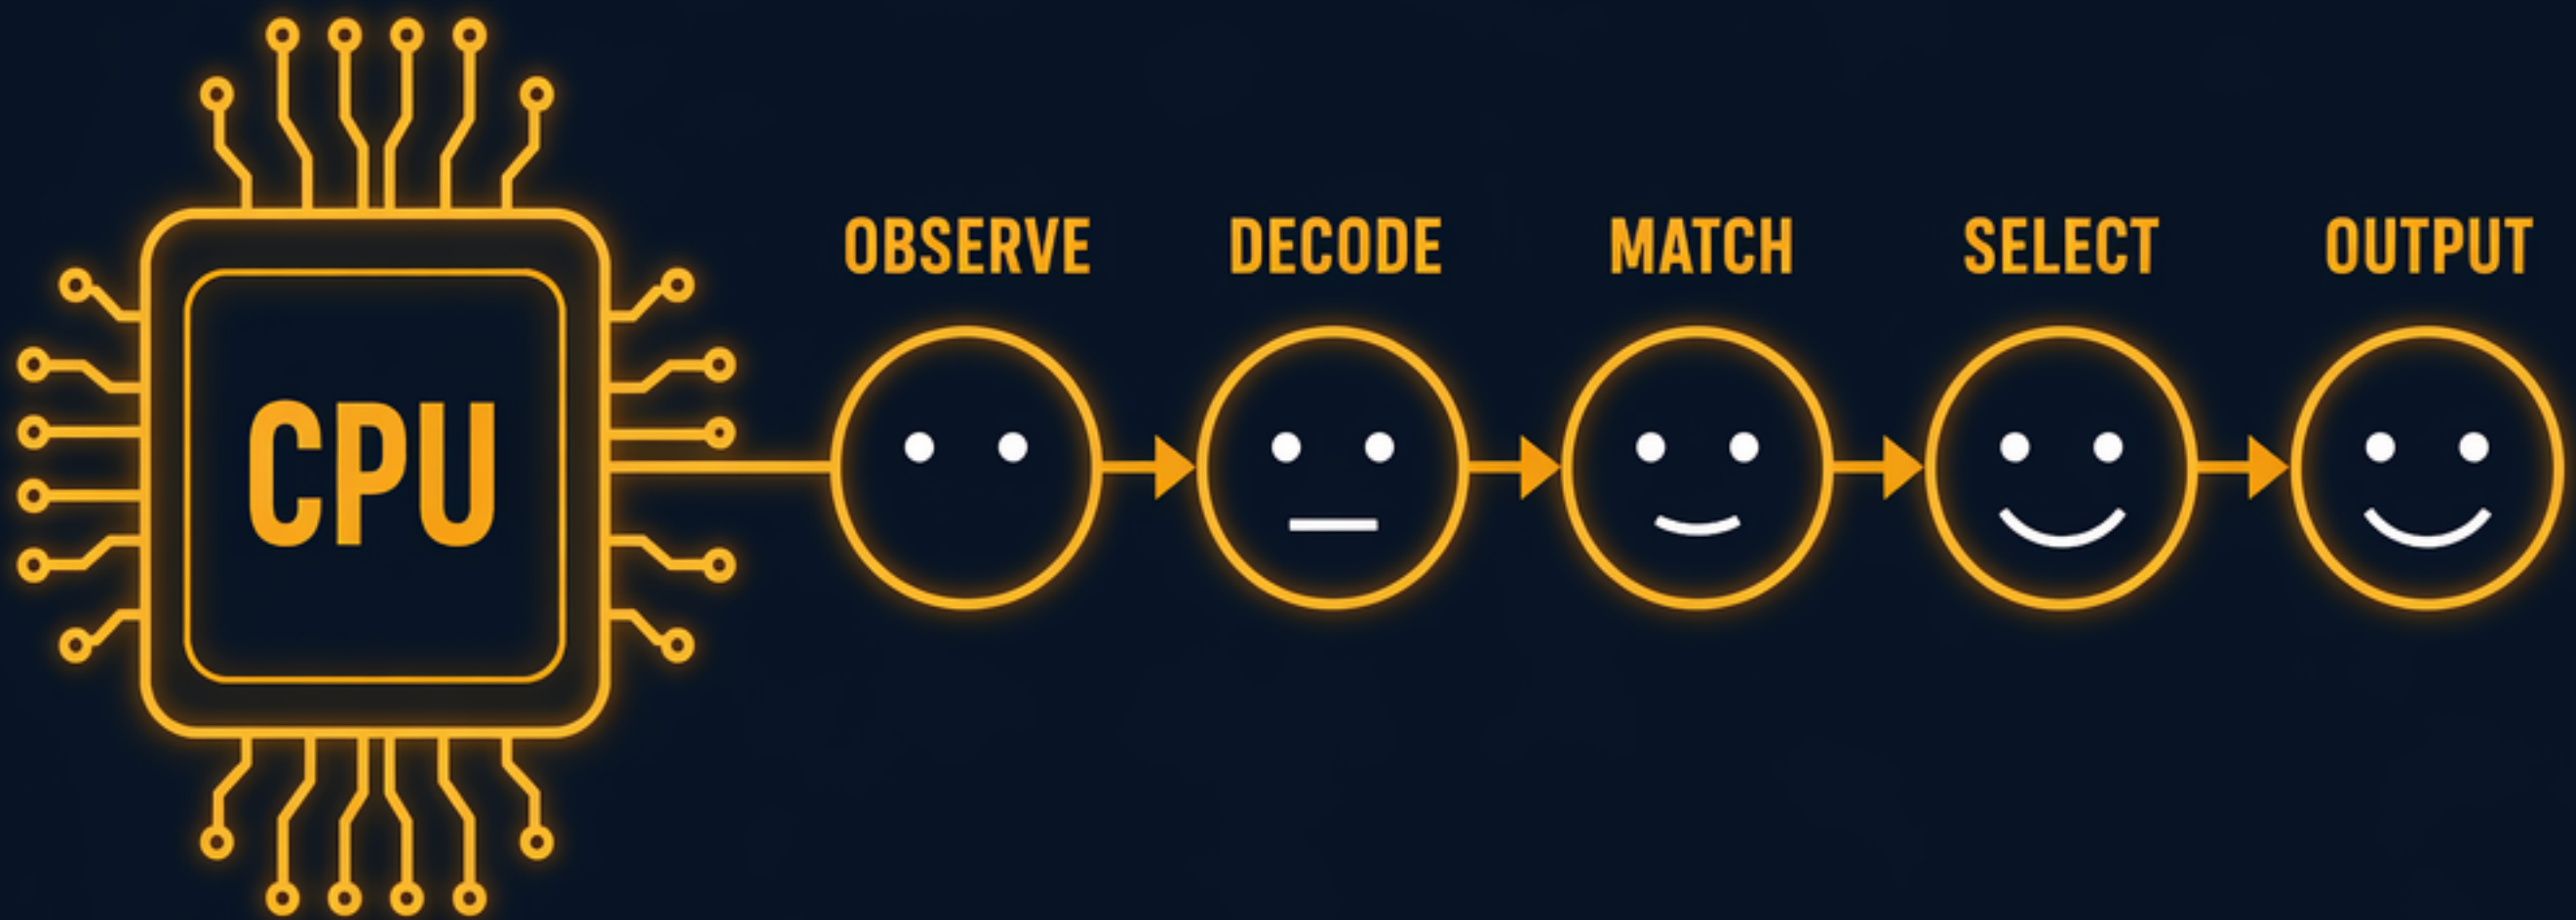

NEUROTYPICAL SOCIAL PROCESSING

Parallel. Automatic. Fast.

AUTISTIC SOCIAL PROCESSING

Sequential. Non-automatic. Constructed.

The output looks the same.
The cost doesn't.

**Looks the same
from outside.**

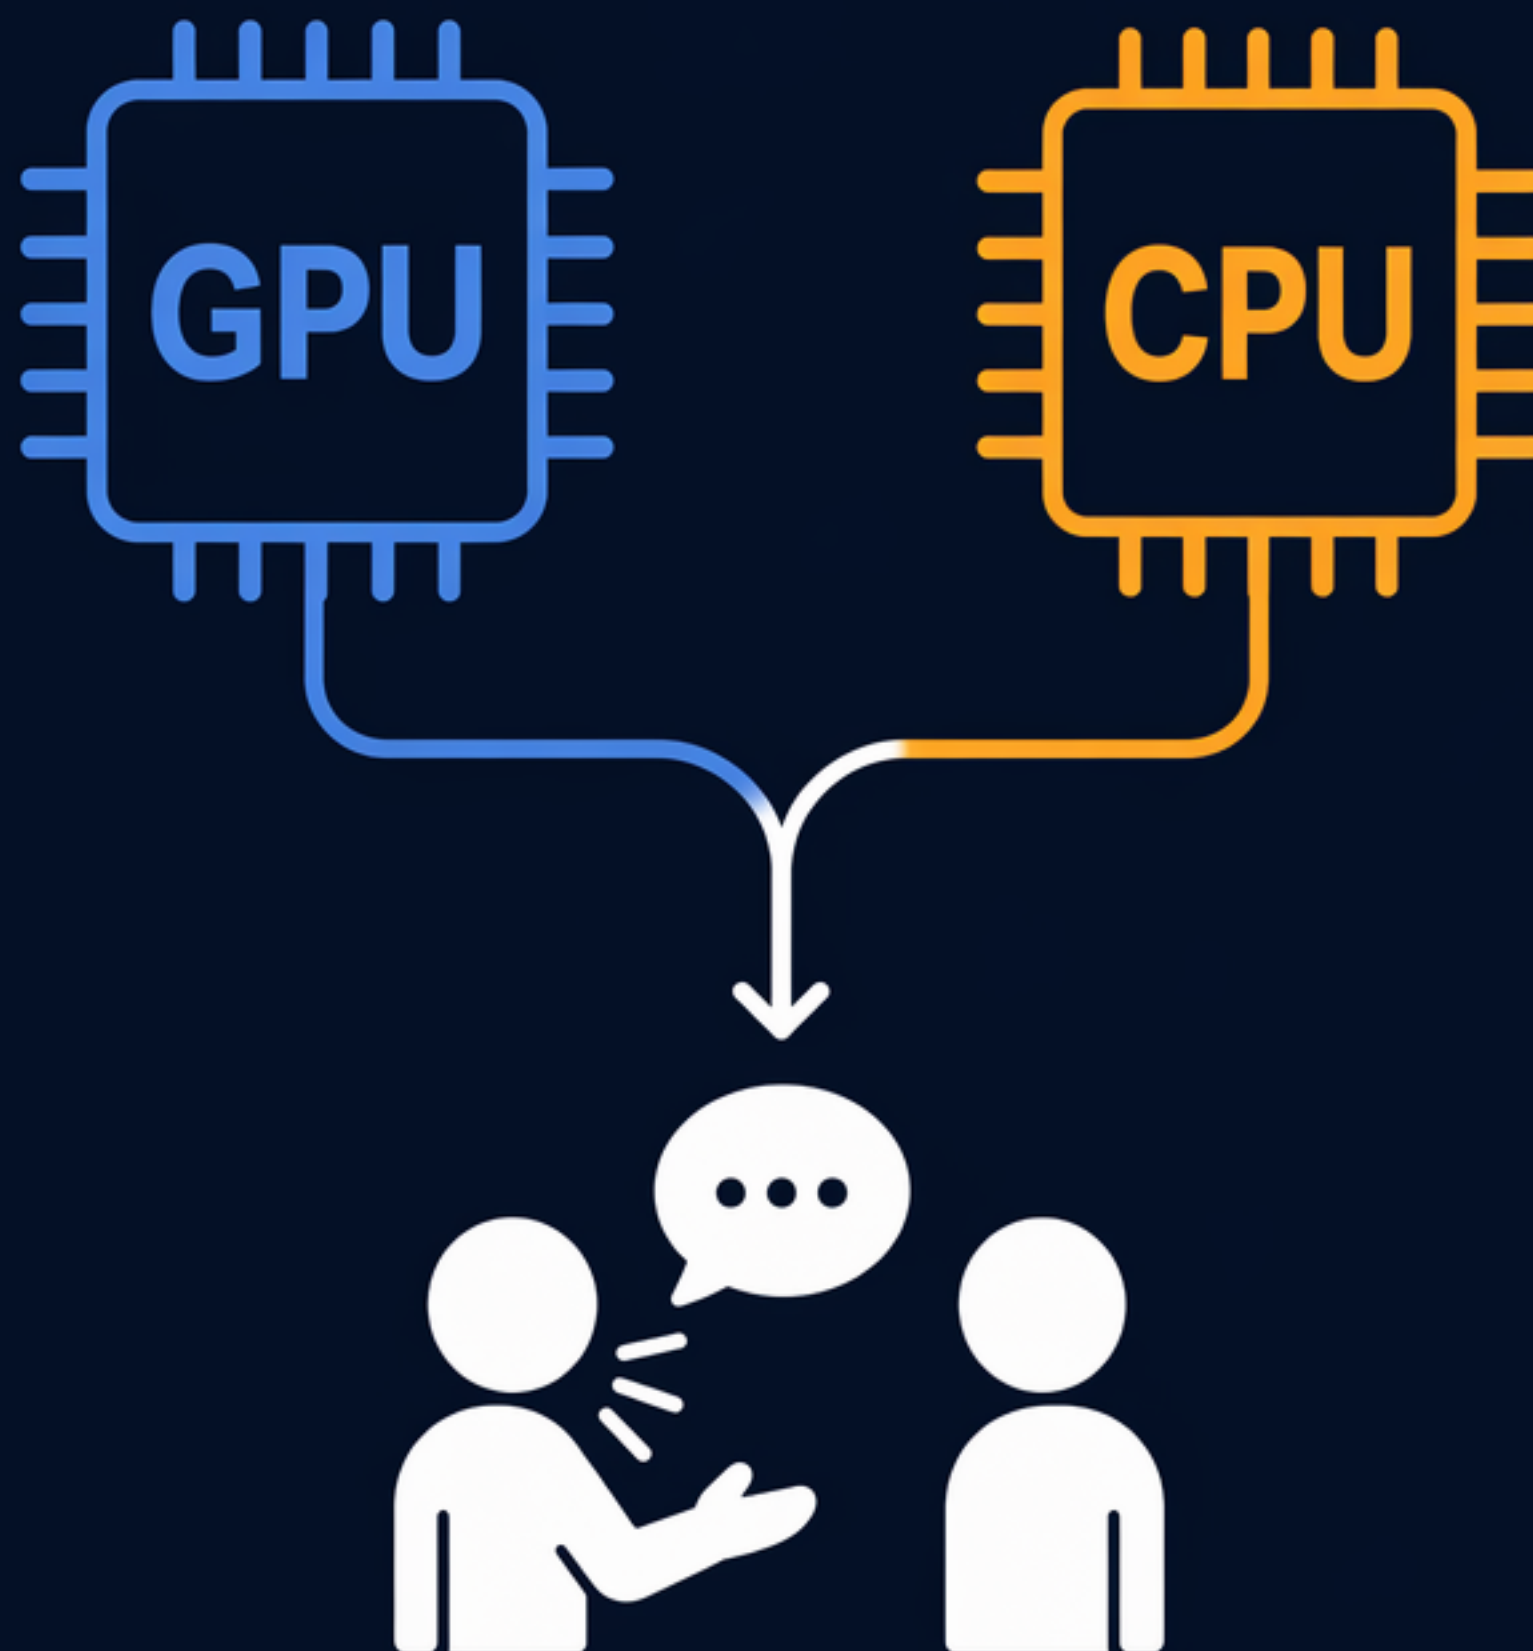

ENERGY

**Feels nothing alike
from inside.**

ENERGY

Same output. Different cost.

Not a deficit.

A different architecture.
