

AUTISM AWARENESS SERIES

Monotropism: One Thing at Full Depth

Not distraction. A different attention architecture.

#7 — Attention & Focus

raphink.info/autism

POLYTROPIC

MONOTROPIC

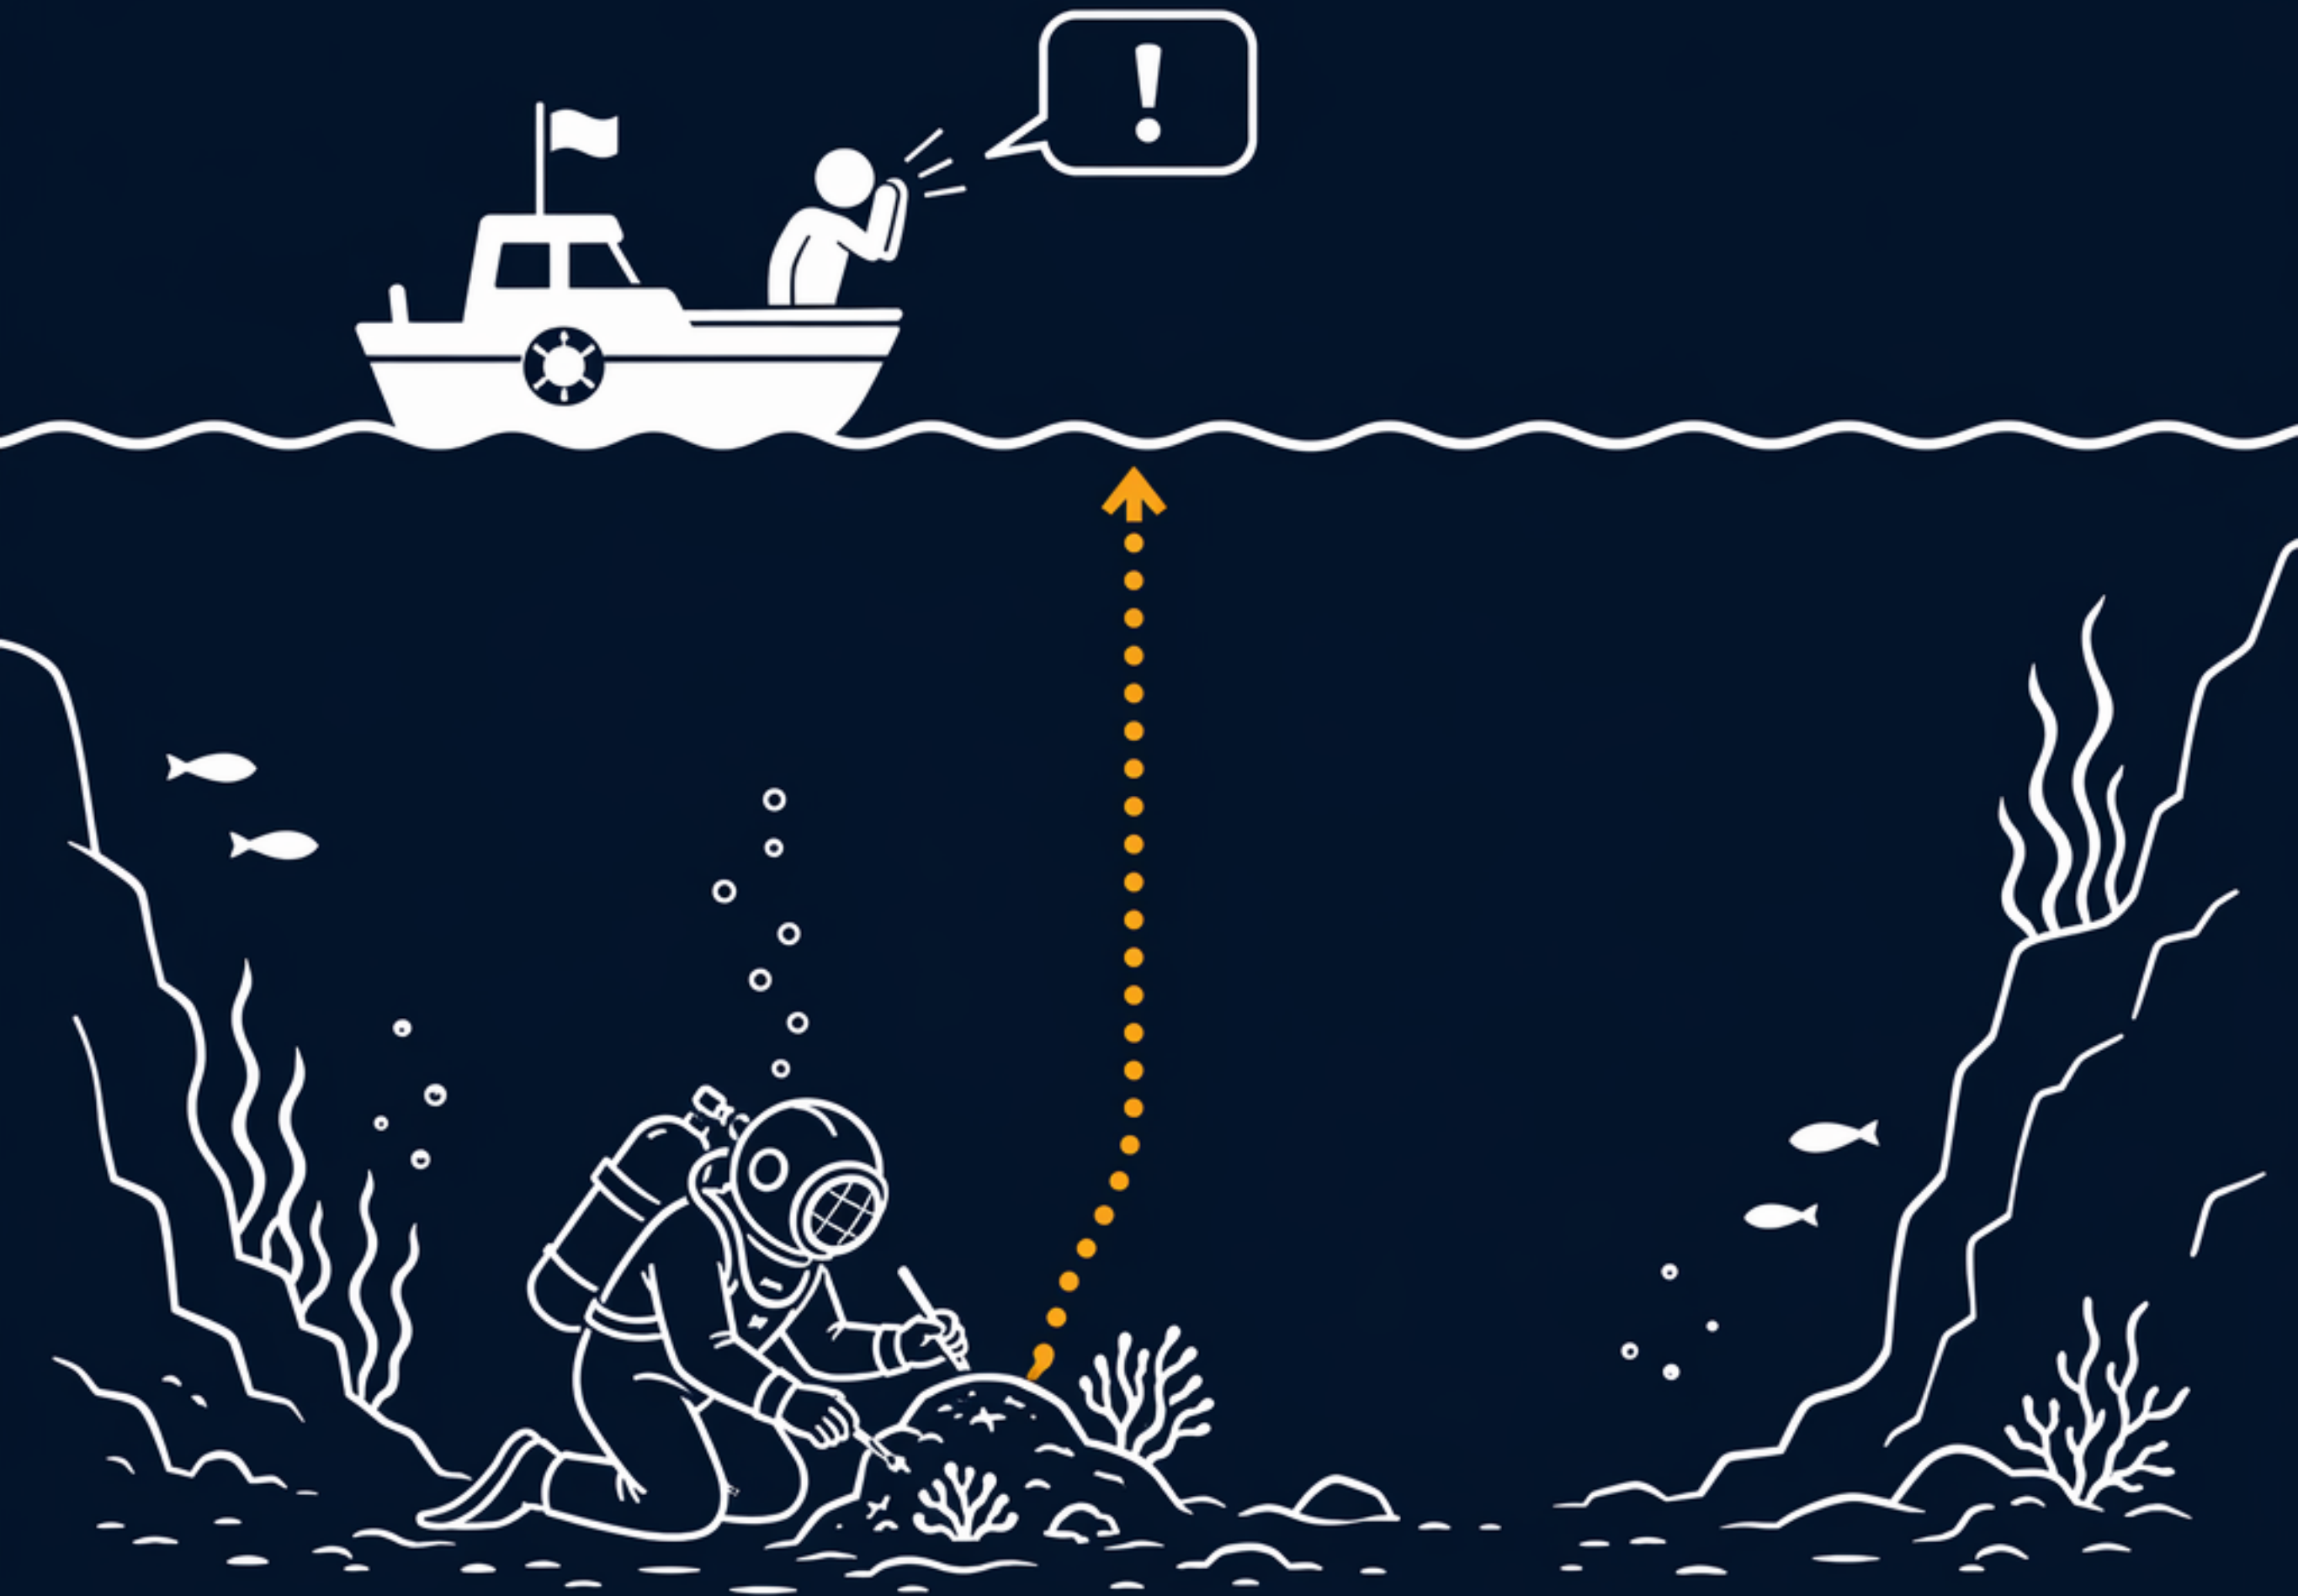

Not less attention.
A different distribution.

MONOTROPIC ATTENTION

One channel.
But it goes very deep.

WHY INTERRUPTIONS COST SO MUCH

**Switching isn't turning a dial.
It's resurfacing from depth.**

From outside

From inside

They're not ignoring you.
They're at depth.

EXPERTISE

Deep knowledge built over time.

PATTERN RECOGNITION

Seeing connections others miss.

CREATIVE DEPTH

Original ideas from sustained focus.

MASTERY

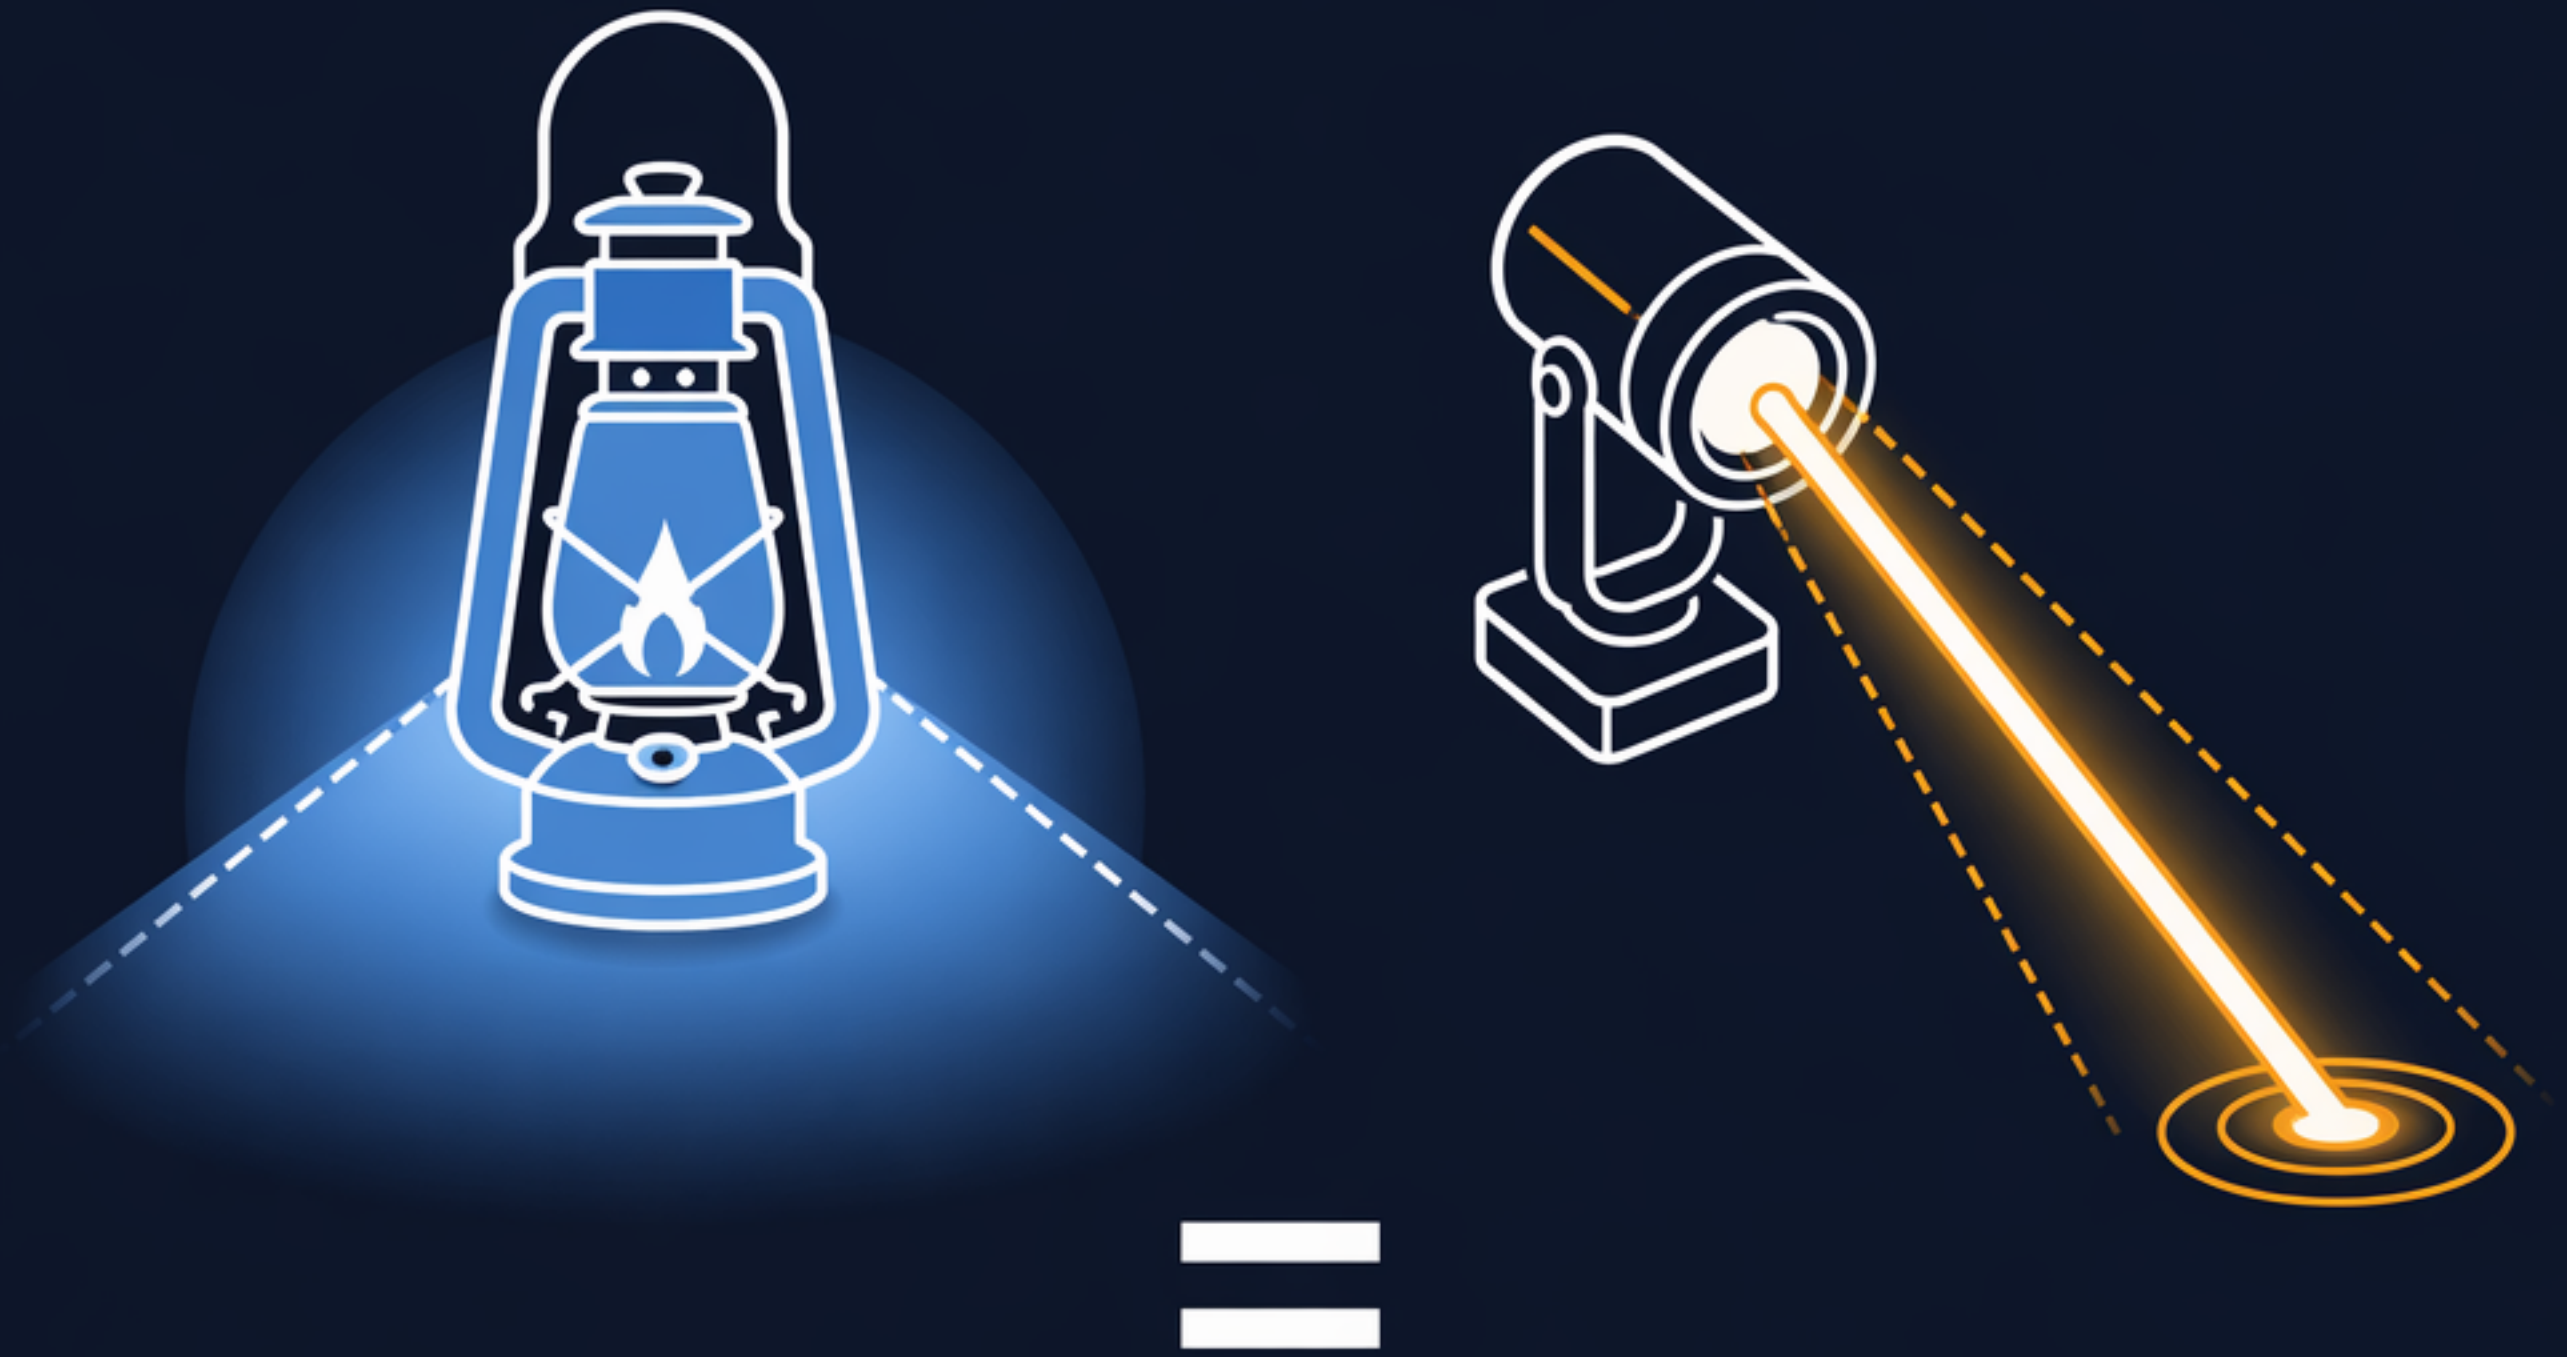

Skill honed through deliberate practice.

MEANINGFUL IMPACT

Work that lasts and matters.

Depth that distributed attention can hardly match.

Not broken focus.
A different kind of depth.
